

# Combined Volumes Savings Chart

This document is a listing of Usborne books published as Combined Volumes, also known as bindups. **Many of these books are offered exclusively by Usborne Books at Home independent consultants.** Combined Volumes feature several complete titles of the same series, bound up in one volume, offering substantial savings. These books are not abridged versions, nor compilations of several titles... they are the original, complete book bound together with one or more similar books.

## Very First Reading boxed set with slipcase

Although neither a Combined Volume nor a Bind-up, this boxed set offers savings *and* a bonus parents' guide. Includes 15 Usborne Very First Reading books for children who are just starting to learn to read.

### Very First Reading Pack (15 Titles) \$99.95

Each book features an imaginative story with irresistible illustrations and simple puzzles to check understanding.

The books are designed to be read in order, and cover material that is normally taught in a child's first two or three years at school.

The boxed set includes a parents' guide with information on the structure of the series, synthetic phonics and helping a child learn to read.
